

## Hybrid SAP Student Day 2023

What is it like to work at SAP? Join us for our Hybrid SAP Student Day 2023! If you are a student at university or school, a graduate or PhD graduate, and excited about people, technology, and innovation, then this event is for you!

### Explore SAP – Discover your Future

An open conversation about joining, and working at SAP, as well as exploring various career prospects.

### Meet Hendrik Haas, Head of Cloud Success Services Germany and Member of the Management Board SAP Deutschland.

Get an introduction of the Cloud Success Services Germany and some personal perspectives on studying and career choices.

### Building Bridges: Exploring New Work and Leadership Culture at SAP

Hear how SAP is addressing the changing expectations of “new work”. As well as how to navigate the corporate world.

### Meet & greet with our SAP Internship Experience Program (iXp) Students.

Here, you can ask tough and honest questions, check whether SAP is the right company for you, and maybe even get to know your future lunch buddy.
