**Location:** Munich

**Job ID:** 350071

**Start date:** As soon as possible

**Operating department:** IFAG SMA MA

**Type of employment:** Full time

**Length of contract:** Temporary

**Job splitting possible:** No

**Hire4IFX:** No

### Job description

As an intern in the Infineon M&A department you will be a full-fledged member of our team and gain first-hand experience working on deals. You will learn about the M&A process from initiation to closing.

The tasks and responsibilities you receive will depend on your performance.

You may be asked to:

- Support the **project management** of transactions
- Create a **presentation** for **key decision-makers** within Infineon
- Provide **market and industry studies** as well as **competitive analysis**
- Research potential acquisition targets

The minimum duration of the internship is three months, **preferably 3 to 6 months.**

### Your profile

You are best equipped for this task, if you:

- Are currently in terms **4-10 (late Bachelor or Master)** and have excellent grades (degree courses: **business administration**, economics, **natural sciences**, industrial engineering and business or **business informatics**)
- Have already gained some relevant **work experience from previous internships**, preferably in **Investment Banking, Corporate Finance or Consulting**
- Are a **team player** possessing know-how of M&A and project management
- Are comfortable and competent with independently executing **complex analyses and project management tasks**
- Are **enthusiastic**, show **entrepreneurial spirit** and strong **interpersonal skills**
- Have a good command of **English** (for foreign applicants, good knowledge of German is required)
- Possess very good **Microsoft Office** skills, especially Excel and PowerPoint

Please attach the following documents to your application:

- CV in English
- Certificate of enrollment at university
- Latest grades transcript
- High school report

**Part of your life. Part of tomorrow.**

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

**– You can find the headquarters of Infineon Technologies AG in Neubiberg –**

In Campeon, besides working towards our goal of being one of the most sustainable companies in the world, we are improving everyone's future by making the technology of tomorrow.

At Infineon, we are also very focused on work-life balance, so here you will be a step away from the center of Munich where you can surf in the Englischer Garten and drink a fresh beer after work.

*\* The term gender in the sense of the General Equal Treatment Act (GETA) or other national legislation refers to the biological assignment to a gender group. At Infineon we are proud to embrace (gender) diversity, including female, male and diverse.*

Does this sound like just the right challenge for you? If so, we look forward to getting to know you!
