Here at Morgan Stanley, we value the diversity of our people and culture as one of our defining strengths. Our **Women's ISG Insight Evening** event is a chance to learn more about our people, culture and the career opportunities available.

Join us for this unique opportunity to meet and speak with our Morgan Stanley Frankfurt representatives from across divisions. This session will consist of a divisional ISG overview, followed by a workshop to hone your practical skills. We will close the event with a networking session where you will be able to ask questions and engage with junior and senior members of the business.

This event will be held in person. You must be able to travel to Munich. Travel expenses will not be reimbursed.

Please Note: This event is by invitation only. You will be informed via email by our campus team directly if you have been selected to attend the event.
