

# Investment Internship in Venture Capital

📍 Headquarters near Munich | ⌚ 3–6 months full-time | 🕒 Earliest Start: July 2025

## Ready to dive into the fast-paced world of venture capital?

Join Signature Ventures as an **Investment Intern** and gain hands-on experience at the forefront of innovation. You'll work alongside our driven investment team, exploring deep tech startups and emerging VC managers shaping the next generation of technological ecosystems.

---

## Your Role

- **Explore innovation frontiers:** Analyze cutting-edge products and technologies, identifying breakthrough innovations and long-term tech industry shifts.
- **Join the full investment journey:** Support deal sourcing, evaluation, investment memo preparation, and deal-making discussions.
- **Drive progress:** Contribute to research initiatives, track market trends, and help optimize our internal investment workflows.

## Your Profile

- Enrolled in university (tech- or business-related field) with at least two semesters completed.
- Proactive, solution-oriented, and independent — with a drive for high-quality results.
- Reliable, collaborative, and thrive in fast-paced and demanding environments.
- Fluent in English with strong communication skills.
- Passion for startups, emerging technologies, and venture capital (experience in startups, consulting, or investment is a plus).

## What We Offer

- **Real impact from day one:** Work on live deals and portfolio strategies.
- **Mentorship & growth:** Learn from experienced investors with regular feedback and guidance at one of Europe's top performing investment funds.
- **Personalized development:** Tailored growth path aligned with your professional goals.
- **Supportive perks:** Designed to help you succeed — in and outside of work.
