

The chair **Financial Accounting**, TUM School of Management, Prof. Dr. Jürgen Ernstberger, is looking for a

## Student Assistant/E-Scout

as support for the team for **about 10 hours per week** from **01.10.2021**.

### Your tasks include:

- Post-processing of educational videos (e.g. editing, subtitles, chapter markers, fade-ins and fade-outs, uploads)
- Transforming online instructional elements in moodle on basis of the course design
- Moderating and supervising online chats for courses

The task also includes participating on an E-Scout Academy course in which the essential basics of educational videos editing is taught. You will learn about shooting video films and to cut them as well as the professional supervision of e-learning offers.

### Our expectations:

You are highly motivated and have a pro-active and dedicated work style. You enjoy working actively and independently on instructional elements as much as responsibly and thoroughly on data. Excellent Skills on MS Office applications are required.

### Our offer:

You are working with a young and motivated team on the concept and transformation of digital courses. Additionally you gain many insights into teaching Financial Accounting.

### Interested?

We would be pleased to get your application (cover letter, CV, Scan of certificates and/or an actual overview of your study achievements up to date compiled in one pdf) per e-mail until 01.09.2021 to [carolin.gahr@tum.de](mailto:carolin.gahr@tum.de).
