**Lena Hopf, Digital Value Advisor**, will be sharing her experiences on **“Balancing through the Cirque du SAP from Intern to Working Student to Early Talent”**. Just like Cirque du Soleil, SAP is a fascinating world of its own. There’s a wide range of departments and career paths, and in the same way that each show has its own intricate storyline, there’s so much to explore! It can feel a bit daunting deciding where and how to enter such a dynamic environment. In this session, you’ll have the chance to ask all your burning questions to Lena.
