

TapGig GmbH
c/o Wayra, Kaufinger Str. 15, München

Project Study – Project Management für Live-Event Platform

About TapGig

TapGig is pioneering a new way to experience live music. We're building a platform that connects artists with audiences in unique, real-world venues through remote live concerts. Our mission is to bring live performances to anyone, anywhere, and create real-world reach for artists without the need for high-end production setups.

Job Description

Are you passionate about the music and live entertainment industry? Do you want hands-on experience in project management with a startup that's changing how we connect to live events?

Key Responsibilities

- **Assist in Project Management**
- **Organize TapGig Events**
- **Outreach to New Customers**
- **Personal Assistant for one of the Co-Founder**
- **Research & Analysis**

Requirements

- **Organizational & Communication Skills**
- **Proactive and self-organized**
- **Interest in Music/Entertainment Industry**
- **Team of 2 to 4 students in Bachelor or Master studies enrolled in Management & Technology in Munich**

What We Offer

- **Hands-on Experience:** Real-world project management experience in an innovative, dynamic startup.
- **Flexible Schedule:** Work remotely with flexible hours to balance with your studies.
- **Mentorship:** Regular check-ins with experienced mentors and an open-door culture.

Please direct your team's application (including a joint cover letter, CVs, transcripts, and relevant references) to fx.mueller@tum.de.
