

## **Job Vacancy: Founder's Assistance (working student) - Join the Future of Forestry!**

**Location:** Munich, Canada and remote (depending on projects).

**About Us:** Are you ready to revolutionize forestry with technology and sustainable practices? Green Value Management, a leader in sustainable forest management, is seeking a dynamic Working Student passionate about the investment industry who is eager to make an impact. Join us in reshaping the future of forestry, blending innovation with environmental stewardship.

**Position Overview:** Are you a motivated student with a knack for numbers and a passion for finance? Dive into the world of sustainable finance with us! As a Founder's Assistance, you will immerse yourself in the financial intricacies of sustainable investment businesses, gaining insights into budgeting, analysis and investment management. This role offers a hybrid work model, combining remote flexibility with collaborative office days.

### **Key Responsibilities:**

- Support month-end, quarter-end, and year-end reporting and processes
- Assist in finance operation tasks and projects
- Lead small financial projects
- Tackle various ad-hoc requirements from the business

### **Qualifications:**

- Enrollment in a finance-related postgraduate degree program (later-stage undergraduate students are encouraged to apply too)
- Strong numerical aptitude and analytical skills
- Proficiency in MS Office, especially Excel and PowerPoint
- Independence and effective communication skills
- Prior experience in accounting or controlling is a plus

### **What We Offer:**

- A competitive salary structure.
- Clear path for career growth, with the potential to evolve into a full-time role.
- Exposure to diverse international projects, investors, and markets.
- A supportive and collaborative work culture that values innovation.
- An opportunity to drive significant change in the forest management industry.
