

Student Assistant

in Controlling, Management Accounting, Financial Reporting

from 21st January 2019 wanted! The weekly working time is 7 hours that you can divide very flexibly. You can also process some of the tasks on request from the comfort of your own home.

What we offer you:

- Participation in current research projects in the field of Management Accounting and Finance
- Insights into the activity at the chair
- Very flexible working hours in a collegial working environment

What you should bring with you:

- Studies in business administration or informatics
- English proficiency
- Knowledge of STATA or R is an advantage but not a requirement
- Self-initiative, independent and conscientious working style

Interested?

Then I look forward to receiving your application (curriculum vitae incl. School-leaving certificate and current grading) by e-mail to Peter Schäfer (peter.schaefer@tum.de).
