Intern (m/f/d) Investment Controlling & Risk Management

We are looking for an intern (m/f/d) to strengthen our Investment Controlling & Risk Management department in Munich as soon as possible for a minimum of three months.

Key Responsibilities

- Controlling and risk management of infrastructure, renewables and private equity fund investments
- Support in company valuations in close collaboration with the investment teams
- Preparation of risk and model analyses at investment and portfolio level
- Carrying out market and competitor analyses (e.g. using Bloomberg and Capital IQ)
- Support in the onboarding of new investment strategies from a valuation and risk management perspective
- Preparation of presentations for senior management, Allianz committees and external investors
- Further development of investor reporting
- Ad hoc projects in valuation, risk, accounting, planning and IRFS reporting

Key Requirements/Skills/Experience

- Advanced studies in economics, mathematics, insurance business or a comparable degree program
- First class internship experience in the fields of corporate finance or risk management preferred
- Excellent knowledge of MS Office, in particular Excel and PowerPoint
- Sharp analytical skills and a structured, independent working style
- Very high levels of motivation, communication skills and team spirit
- Very good knowledge of German and English

Additional Information

Position available as of: immediately

Reference Code: ACP-6567403-4

We offer fair payment, flexible working hours, collaboration in a likeable team, a pleasant place of work near central Munich and assistance in interesting projects.

We are looking forward to your application under www.allianz.com/careers.
