Intern (f/m/d) in Private Equity Fund Investments

We are looking for an intern to work with our Private Equity Investment Team in Munich throughout the whole investment process (from due diligence through to the investment decision), starting in September.

Key Responsibilities

- Quantitative analyses (market analyses, track record analyses, fair market valuation of portfolio companies)
- Support of our investment managers during the due diligence of private equity funds and co-investments
- Participation in internal meetings to discuss and prioritise investment opportunities
- Support in the preparation of investment proposals and presentations
- Research on market and company information (using common databases)

Key Requirements/Skills/Experience

- Advanced studies of economics or business administration with excellent results and specialisation in finance, investment or business valuation
- First internship experience in corporate finance, M&A, transaction services or private equity
- Experience in using financial databases (Bloomberg, Capital IQ, Thomson, etc.)
- Strong MS Office skills, especially Excel
- Fluent in English and German (spoken and written)
- The candidate should be confident, possess strong work ethics and be a self-starter with the ability to operate as a true team player in a dynamic environment
- Strong analytical capabilities and attention to detail
