

Student Assistant

Sustainable Mobility and Finance

To support research and teaching projects

The facts:

- You can start as soon as possible: We need your support right away
- Your weekly working time is 7 hours: You can split the hours very flexibly
- You will be supporting three research assistants: Anton Kelnhofer, Alexander Schult and Lukas Schlöter

What we offer:

- Involvement in our research and teaching projects: E.g., conduct research, perform analyses, help running experimental sessions, prepare presentations, write reports ...
- Insights into work and “life” at the Chair of Management Accounting and research in general
- A professional, collaborative, and feedback-oriented work environment

What you should bring:

- Studies in Business Administration or a related field
- Very good English and German language skills
- Motivation, drive and an independent as well as conscientious working style

Interested?

In this case, we look forward to receiving your application (CV and current grades) by e-mail to Anton Kelnhofer (anton.kelnhofer@tum.de) and/or Alexander Schult (alexander.schult@tum.de).
