

# ARE YOU READY TO TAKE THE LEAD?

Linde GmbH, Linde Engineering

## Working Student Finance and Controlling (m/f/d)

Pullach nearby Munich, Germany | req8895

### What you will enjoy doing

- As integrated part of the global business function Finance and Controlling, our FP&A team is responsible for the financial planning, reporting and performance analysis
- Our FP&A Managers are acting as business partners for several legal entities within a region, they are single point of contact for the subsidiary management in all financial aspects and support the local finance teams in all matters related to financial planning, reporting and controlling
- Besides all FP&A managers are ensuring data quality and consistency for all management reports you are responsible to analyse and comment financial performance of the subsidiaries
- As Working Student you will play a key role in the finance transformation journey: with your expertise and creativity you support the FP&A team on global digitalization initiatives in the area of financial planning and analysis
- You take responsibility for digitalization and automation tasks, lead subprojects and support our global finance community to drive continuous improvement measures and enhance our management reporting
- It is all about digitalization and automation. Join us and lift in an internationally operating team our databases, process and reports on the next level
- Further you will support to establish a global Finance Sharepoint solution

### What makes you great

- You are currently doing your bachelor or master's degree (or equivalent) in business informatics, business administration, finance or accounting
- You are interested and ideally gained already knowledge in RPA, AI, predictive analytics and other digitalization tools
- Expertise in Microsoft Office applications (especially excel and Power BI/Query/Pivot) is required
- A profound knowledge about Tableau, SAP applications, Hyperion and/or business warehouse is of advantage
- You enjoy working in an internationally operating team, sharing information and resources, and striving to achieve group goals and outcomes
- Fluent in English language (written and spoken) is mandatory, knowledge in German language is of advantage
- Excellent analytical skills and entrepreneurial thinking are characterizing your way of working

### Why you will love working with us

Thinking outside of the box, working on new topics and concepts, deliver great solutions to our internal customers is essential to bring success to our business. Our company will offer you a variety of possibilities to excel in your area of expertise. You will contribute towards making Linde an inclusive and diverse organization, creating innovative practices and fostering an environment that welcomes all differences – making Linde an employer of choice.

Linde acts responsibly towards its shareholders, business partners, employees, society and the environment in every one of its business areas, regions and locations across the globe. The company is committed to technologies and products that unite the goals of customer value and sustainable development.

### What we offer you!

We offer you not only an attractive compensation (metal industry tariff) and other social benefits, but also the possibility for further professional and personal education. Furthermore you can expect great location conditions, an excellent company canteen with a wide range as well as an extensive health management with sports classes and actiondays.

### Have we inspired you? Let's talk about it

We are looking forward to receiving your complete application (motivation letter, CV, certificates) via our online job market.
