**Location:** Munich

**Job ID:** 362377

**Start date:** 01.10.2022

**Operating department:** IFAG SMA MA

**Type of employment:** Full time

**Length of contract:** Temporary

**Job splitting possible:** No

**Hire4IFX:** No

### Job description

For this opportunity, we expect you to identify and screen the competitive landscape for investment and partnership opportunities in some of Infineon's most exciting technology fields. This will be done in close, frequent alignment with business managers who define boundary conditions and strategic search fields.

Depending on your skills and performance, you may in addition be asked to:

- **Own and drive project management** of your work package
- Create **presentations** for **key decision-makers** within Infineon and discuss project results on eye-level with business unit leaders
- **Develop** and establish new advanced **concepts and methodologies** to push Infineon's analysis of relevant **strategic action fields to new levels**

### Your profile

You are best equipped for this task, if you:

- Study **Business Administration, Economics, Business Informatics, Electrical, Mechanical, Industrial Engineering** or related subjects at a University
- Also have a **natural interest in financial and strategic business topics**
- Are currently in terms **4-10 (late Bachelor or Master)** and have **excellent grades** (top quintile)
- Excel with a structured way of **thinking** and **working**
- Are a **team player** and **show strong interpersonal skills**
- Are comfortable with analyzing **complex data sets in Excel**
- Feel comfortable to **discuss** and **present results** within the team and to key stakeholders using **PowerPoint**
- Have a very **good command of English** (German is a plus)
- Knowledge, relevant **working experience in semiconductor, strategy, finance companies, advanced analytics, big data, semantic search methods** and related software is a plus

Please attach the following documents to your application:

- CV in English
- Certificate of enrollment at university
- Latest grades transcript

- High school report

### **Part of your life. Part of tomorrow.**

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

#### **– You can find the headquarters of Infineon Technologies AG in Neubiberg –**

In Campeon, besides working towards our goal of being one of the most sustainable companies in the world, we are improving everyone's future by making the technology of tomorrow.

At Infineon, we are also very focused on work-life balance, so here you will be a step away from the center of Munich where you can surf in the Englischer Garten and drink a fresh beer after work.

*\* The term gender in the sense of the General Equal Treatment Act (GETA) or other national legislation refers to the biological assignment to a gender group. At Infineon we are proud to embrace (gender) diversity, including female, male and diverse.*

Does this sound like just the right challenge for you? If so, we look forward to getting to know you!
