

**ARE YOU
READY
TO TAKE THE
LEAD?**

Linde Gas Headquarters

Working Student Digital & Business Services (m/f/d)

Pullach nearby Munich, Germany (req2990)

What you will enjoy doing

- You support in development and implementation of projects in the area of Robotic Process Automation (RPA) and Chatbots
- You analyze processes to be automated and document user requirements
- You help in detailing out chatbot conversations
- You gain insight in the usage of UiPath and Microsoft Power Automate
- You implement first automation projects yourself
- You assist in preparation and conduction of workshops and support the project management teams.
- You generate ad-hoc analyzes, reports and presentations for the senior management

What makes you great

- You are studying a STEM (Science, Technology, Engineering, Math) subject or business & management
- You have already gained some experience in automating processes with UiPath or Microsoft Power Automate, in VBA scripting or with database automations? This is a definite plus.
- Your key qualifications include analytical thinking and a quick grasp
- You possess a result driven mindset
- You are precise, reliable and highly motivated
- You work in an independent and structured way
- You have profound knowledge of MS Excel & Power Point
- You are fluent in English and German

Why you will love working with us

Thinking outside of the box, working on new topics and concepts, deliver great solutions to our internal customers is essential to bring success to our business. Our team will offer you a variety of possibilities to excel in your area of expertise. You will contribute towards making Linde an inclusive and diverse organization, creating innovative practices and fostering an environment that welcomes all differences – making Linde an employer of choice.

Linde acts responsibly towards its shareholders, business partners, employees, society and the environment in every one of its business areas, regions and locations across the globe. The company is committed to technologies and products that unite the goals of customer value and sustainable development.

What we offer you!

This position is limited for 6 months. Please enclose your certificate of enrollment with your application documents. In addition to an attractive compensation package, we offer you many social benefits, such as flexible working hours and a wide range of health care options. Furthermore, we support you with various offers to help you combine family and career and to support your professional and personal development. A good infrastructure and our company canteen, which has won several awards, are further benefits.

Salary classification: Working student compensation

Have we inspired you?

We are looking forward to receiving your complete application (motivation letter, CV, certificates) via our online job market.
