ABOUT THE ROLE

We are looking for 2-3 ambitious project students to support us in developing an effective finance & fundraising strategy. This is your opportunity to shape a startup's first fundraising round and learn all about the process.

JOB DESCRIPTION

- Get an understanding of venture capital and the German start-up scene
- Develop a fundraising strategy for an early-stage start-up
- Research potential investors and update/maintain long list and short list
- Update and maintain presentations, reports and financial model documents
- Develop business controlling tools from scratch

WHAT YOU'LL BRING

- An interest in finance and strategy
- Financial modeling, and scenario analysis skills with a sound understanding of Microsoft Excel
- Ability to prioritize, self-start, and self-direct work in an environment with minimal direction
- A strong work ethic and entrepreneurial spirit
- A passion for food, health & wellness
