

We are hiring for the following position (start date as soon as possible, earliest start 01 April 2024):

Student Assistant (m/f/d) - part-time

Who are we?

The Chair of Entrepreneurial Finance led by Prof. Dr. Reiner Braun focuses on research and education regarding the financing of start-ups and entrepreneurial firms. Special emphasis is placed on private capital markets, for example venture capital and private equity.

What are we looking for?

We are hiring a highly motivated bachelor or master student (wissenschaftliche Hilfskraft - m/w/d) to support Prof. Braun and his team in research, project management and administrative tasks.

What do we expect?

- Strong interest in scientific research and related tasks within the field of (entrepreneurial) finance.
- Self-motivated, reliable, and conscientious work method.
- Fluency in English and/ or German.
- Knowledge of some statistical software packages (e.g. STATA, R) and/ or programming skills (e.g. Python, SQL) – advanced skills preferred.

What do we offer?

- Compensation in line with the TUM guidelines for student employees.
- Workplace at the main TUM Campus in Munich/ our offices at the Munich Urban Colab.
- Flexible work hours with the option of virtual collaboration.
- Possibility of further collaboration and writing your thesis with our Chair.

Interested?

We look forward to receiving your application documents (curriculum vitae and current transcript of records - in a single pdf file) by email at svenja.barth@tum.de.

We review applications and interview candidates on a rolling basis.
