

# MUTARES

Mutares SE & Co. KGaA, Munich ([www.mutares.com](http://www.mutares.com)), acquires medium-sized companies and parts of groups with headquarter in Europe that are being sold in the course of a repositioning process at their owners and show a clear potential for operational improvement. Mutares actively supports and develops its portfolio companies with its own investment and consulting teams as well as through acquisitions of strategic add-ons. The aim is to achieve a clear value increase with a focus on sustainable, long-term growth of the portfolio company.

To support the strong development of the Munich office, we are looking for an

## M&A Intern (m/f/d)

to join our M&A team in Munich, Germany for a period of 4 to 6 months, starting as soon as possible.

### Your Tasks

You will support the existing investment team with the following tasks:

- Analyses of teasers and investment memoranda to identify suitable Mutares acquisitions.
- Assisting with financial modelling:
  - Set up financial reports on a monthly basis
  - Integration of assumptions to reflect the restructuring strategy
  - Normalisation of working capital
  - Analyses of debt and net debt items
  - Prepare valuations to determine true enterprise value
- Support due diligence:
  - Analyses of virtual data rooms
  - Critical thinking to identify areas of risk
  - Q&A preparation for expert calls
- Support in the preparation of offer documents
- Support in document preparation for potential exit transactions

### Your Profile

- At least a Tier 1 Bachelor's degree in economics (ideally with a specialisation in finance)
- Several completed internships, including experience in investment banking/M&A
- Excellent language skills in German and English
- Confident handling of MS Office applications (esp. Excel and Power Point)
- Team player & hands-on, independent thinking
- Self-confident and professional appearance

### What Mutares offers

- Working as part of a highly motivated, international, committed and agile team that enjoys working together
- Exciting working environment with changing challenges and tasks for a continuous personal and professional development
- Attractive remuneration combined with flexible working hours
- Intensive on-boarding phase in a collegial environment
- Regular team events and offsites
